(collectively "Tyson"), and all of its predecessors; successors; assigns; and any and all past, present, and future parents, owners, divisions, departments, subsidiaries, affiliates, directors, officers, agents, and employees (collectively referred to "Tyson") in the above-captioned action (the

"Action"). Consumer IPPs, on behalf of the Certified Class, and Tyson are referred to herein collectively as the "Parties" or individually as a "Party."

WHEREAS, Consumer IPPs on behalf of themselves and as representatives of the Certified Class of similarly situated persons or entities allege in the Action, among other things, that Tyson participated in a conspiracy – with other Defendants in this litigation and unnamed co-conspirators – "from at least 2009 to the present to fix, raise, maintain, and stabilize the price of pork." (Consumer IPPs' Fourth Amended Consolidated Complaint, Dkt. No. 1111, ¶ 6);

WHEREAS, Co-Lead Class Counsel have been appointed by the Court to represent the Certified Class of indirect purchasers of Pork (as hereinafter defined);

WHEREAS, the Parties wish to resolve all claims asserted and all claims that could have been asserted against Tyson in any way arising out of or relating in any way to the indirect purchase of Pork produced, processed or sold by Tyson or any of the Defendants or their co-conspirators for consumer use;

WHEREAS, counsel for the Parties have engaged in arm's-length negotiations on the terms of this Settlement Agreement, and this Settlement Agreement embodies all of the terms and conditions of the settlement;

WHEREAS, Consumer IPPs have concluded, after investigation of the facts and after considering the circumstances and the applicable law, that it is in the best interests of Consumer IPPs to enter into this Settlement Agreement with Tyson to avoid the uncertainties of further complex litigation, and to obtain the benefits described herein for

the Certified Class, and, further, that this Settlement Agreement is fair, reasonable, adequate, and in the best interests of Consumer IPPs and the Certified Class;

WHEREAS, Tyson denies all allegations of wrongdoing in the Action. However, despite its belief that it is not liable for, and has good defenses to, the claims alleged in the Action, Tyson desires to settle the Action, and thus avoid the expense, risk, exposure, inconvenience, and distraction of continued litigation of the Action or of any action or proceeding relating to the matters being fully settled and finally put to rest in this Settlement Agreement;

NOW THEREFORE, in consideration of the foregoing, the terms and conditions set forth below, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is agreed by and among the Parties that the claims of the Consumer IPPs and the Certified Class be settled and compromised and dismissed on the merits with prejudice as to Tyson, subject to Court approval:

3. Mutual Litigation Standstill. Tyson and its counsel shall cease all litigation activities against the Consumer IPPs except to the extent expressly authorized in the Settlement Agreement. The Consumer IPPs and their counsel shall cease all litigation activities against Tyson except to the extent expressly authorized in the Settlement Agreement. Tyson acknowledges that the Consumer IPPs have the right to continue litigating their claims in the Action against non-settling Defendants and alleged co-conspirators, including seeking without limitation damages attributable to the entire alleged antitrust violation, including alleged damages attributable to sales made by Tyson, and seeking to prove at trial against non-settling Defendants that Tyson participated in the alleged antitrust violation. The Consumer IPPs acknowledge that Tyson has the right to continue fully defending itself against claims asserted by parties other than the Consumer IPPs in the litigation ("Non-Consumer IPP Claims") and that Tyson may coordinate with

non-settling Defendants in the joint defense of such Non-Consumer IPP Claims. Once no claims are operative against Tyson in this litigation, Tyson shall cease all litigation activities, including any cooperation with the non-settling Defendants. To minimize disputes regarding the Mutual Litigation Standstill, Tyson and the Consumer IPPs agree to the following specific requirements and authorizations:

a. Proof of Alleged Conspiracy: Consumer IPPs and their retained experts necessarily must present arguments and evidence concerning the existence of an antitrust conspiracy, which Tyson strongly denies, and in doing so will make such arguments relating to Tyson. Pursuant to the "Trial" provision below, however, Tyson shall have the right to rebut any arguments and evidence relating to it to the extent necessary to defend the Non-Consumer IPP Claims.

b. Trial Witnesses: If Tyson receives a request for testimony at trial from any non-settling Defendant for any trial involving the Consumer IPPs, through a subpoena or through any informal means, it will provide notice to the Consumer IPPs involved in the trial within two (2) business days. Tyson will provide the Consumer IPPs the same access to potential trial witnesses as provided to any non-settling Defendant.

c. Authentication and Admissibility of Documents: Tyson agrees to make all good faith efforts to assist Consumer IPPs in obtaining the authentication and admissibility of up to 50 of Tyson's documents for purposes of trial. Consumer IPPs agree to make all good faith efforts

to provide this list of documents to Tyson at least 45 days before jury selection starts.

d. Experts: Tyson has jointly retained experts with non-settling Defendants and may continue those engagements—including coordination and/or cost-sharing with non-settling Defendants—as necessary to defend Non-Consumer IPP Claims. Tyson will make explicit to any such joint experts that they are not offering testimony or opinions on behalf of Tyson against any of the Consumer IPPs.

e. Trial: In any trial limited to the Consumer IPPs, and not including any Non-Consumer IPP Claims, Tyson will not participate in the proceedings in any way, other than complying with Paragraph 3.b. ("Trial Witnesses"). In any trial that includes the Consumer IPPs and Non-Consumer IPP Claims, Tyson shall have the right to present argument and examine or cross-examine witnesses to the extent necessary to defend the Non-Consumer IPP Claims.

4. Motion for Preliminary Approval. Class counsel will make best efforts to move for preliminary approval no later than October 6, 2025. Within two (2) business days of the Execution Date, Consumer IPPs will file a notice of settlement with the Court, maintaining confidentiality of the settlement amount. The Consumer IPPs will request a prompt hearing on the motion for preliminary approval, which Tyson will not oppose. Within a reasonable time in advance of submission to the Court, the papers in support of the motion for Preliminary Approval shall be provided by Co-Lead Class Counsel to

Tyson. To the extent that Tyson objects to any aspect of the motion, it shall communicate such objection to Co-Lead Class Counsel, and the Parties shall meet and confer to resolve any such objection. The Parties shall take all reasonable actions as may be necessary to obtain Preliminary Approval and certification of the Certified Class.

5. Certified Class. The Certified Class shall have the same definition and consist of the litigation class certified by the Court on March 29, 2023 (Dkt. No. 1887) and later amended on May 8, 2024 (Dkt. No. 2225) defined as follows:

> All persons and entities who indirectly purchased raw pork bacon, or one or more of the following types of raw pork, whether fresh or frozen: bellies, loins, shoulder, ribs or pork chops from defendants or co-conspirators for personal consumption in the Repealer Jurisdictions[2] from June 28, 2014 to June 30, 2018. For this lawsuit, pork excludes any product that is marketed as organic, no-antibiotics ever (NAE) and any product other than bacon that is marinated, seasoned, flavored, or breaded.[3]

The Certified Class does not include any person or entity that has or will submit a timely and valid exclusion request.

---

The class period for Kansas, Tennessee, and South Carolina class members is proposed to begin June 28, 2015.

[3] Excluded from the class are defendants, the officers, directors or employees of any Defendant; any entity in which any Defendant has a controlling interest; and any affiliate, legal representative, heir or assign of any Defendant; any federal, state, or local governmental entities, any judicial officer presiding over this action and the members of his/her immediate family and judicial staff, any juror assigned to this action; and any coconspirator identified in this action.

6. Settlement Notice. After Preliminary Approval, and subject to approval by the Court of the means for dissemination:

a. Individual notice of this Settlement shall be mailed, emailed, or otherwise sent by the Settlement Administrator, at the direction of Co-Lead Class Counsel, to members of the Certified Class, in conformance with a notice plan to be approved by the Court.

b. Neither the Certified Class, Co-Lead Class Counsel, nor Tyson shall have any responsibility, financial obligation, or liability for any fees, costs, or expenses related to providing notice to the Certified Class or obtaining approval of the settlement or administering the settlement. Such fees, costs, or expenses shall be paid solely from the Settlement Fund, subject to any necessary Court approval. Tyson shall not object to Co-Lead Class Counsel withdrawing from the Settlement Fund, subject to any necessary Court approval, up to $1,000,000 to pay the costs for notice and administration and for Preliminary and Final Approval of this Settlement Agreement.

c. Co-Lead Class Counsel shall use best efforts to send out notice to the Certified Class as soon as practicable and no later than 75 days after Preliminary Approval by the Court of the Settlement Agreement, unless otherwise agreed to between the Parties. Any costs of notice that Co-Lead Class Counsel are permitted to withdraw from the Settlement Fund, either pursuant to the Parties' Settlement Agreement

or order of the Court, shall be nonrefundable if, for any reason, the Settlement Agreement is rescinded according to its terms or is not finally approved by the Court.

7. Motion for Final Approval and Entry of Final Judgment. If the Court grants Preliminary Approval, then Consumer IPPs, through Co-Lead Class Counsel—in accordance with the schedule set forth in the Court's Preliminary Approval—shall submit to the Court a separate motion for Final Approval of this Settlement Agreement by the Court. A reasonable time in advance of submission to the Court, the papers in support of the motion for Final Approval shall be provided by Co-Lead Class Counsel to Tyson for its review. To the extent that Tyson objects to any aspect of the motion, it shall communicate such objection to Co-Lead Class Counsel, and the parties shall meet and confer to resolve any such objection. The motion for Final Approval shall seek entry of an order and Final Judgment:

a. Finally approving the Settlement Agreement as being a fair, reasonable, and adequate settlement for the Certified Class within the meaning of Rule 23 of the Federal Rules of Civil Procedure, and directing the implementation, performance, and consummation of the Settlement Agreement;

b. Determining that the Settlement Notice constituted the best notice practicable under the circumstances of this Settlement Agreement and the Fairness Hearing, and constituted due and sufficient notice for all other purposes to all Persons entitled to receive notice;

c. Dismissing the Action with prejudice as to Tyson in all class action complaints asserted by Consumer IPPs or the Certified Class;

d. Discharging and releasing Tyson Released Parties from all Released Claims;

e. Reserving continuing and exclusive jurisdiction over the Settlement Agreement for all purposes; and

f. Determining under Fed. R. Civ. P. 54(b) that there is no just reason for delay and directing that the judgment of dismissal as to Tyson shall be final and appealable and entered forthwith.

The Parties shall take all reasonable steps to obtain Final Approval of the Settlement Agreement.

8. This Settlement Agreement shall become final only when (a) the Court has entered an order finally approving this Settlement Agreement under Rule 23(e) of the Federal Rules of Civil Procedure; (b) the Court has entered Final Judgment dismissing the Action against Tyson on the merits with prejudice as to all Certified Class members and without costs, and (c) the time for appeal or to seek permission to appeal from the Court's approval of this Settlement Agreement and entry of a Final Judgment as described in clause (b) above has expired or, if appealed, approval of this Settlement Agreement and the Final Judgment have been affirmed in their entirety by the Court of last resort to which such appeal has been taken and such affirmance has become no longer subject to further appeal or review or any such appeal is otherwise disposed of. It is agreed that neither the provisions of Rule 60 of the Federal Rules of Civil Procedure nor the All Writs Act, 28

U.S.C. § 1651, shall be taken into account in determining if the conditions for final approval have been satisfied. On the Execution Date, Consumer IPPs and Tyson shall be bound by the terms of this Settlement Agreement, and the Settlement Agreement shall not be rescinded except in accordance with Paragraph 19 of this Settlement Agreement.

9. Escrow Account. The Escrow Account shall be administered by Co-Lead Class Counsel for the Consumer IPPs and Certified Class under the Court's continuing supervision and control pursuant to the Escrow Agreement.

10. Settlement Consideration. In consideration for the release of Released Claims and the dismissal of the Action, at the earlier date of: i) November 28, 2025; or ii) 30 days after the Court grants Preliminary Approval of this Settlement Agreement, Tyson shall pay the Settlement Fund $85,000,000 (eighty-five million U.S. dollars).

11. Qualified Settlement Fund. The Parties agree to treat the Settlement Fund as being at all times a Qualified Settlement Fund within the meaning of Treas. Reg. § 1.468B1, and to that end, the Parties shall cooperate with each other and shall not take a position in any filing or before any tax authority that is inconsistent with such treatment. In addition, Co-Lead Class Counsel shall timely make such elections as necessary or advisable to carry out the provisions of this Paragraph, including the relation-back election (as defined in Treas. Reg. § 1.468B-1(j)) back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such regulations. It shall be the responsibility of Co-Lead Class Counsel to timely and properly prepare and deliver the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur. All provisions of this Settlement

Agreement shall be interpreted in a manner that is consistent with the Settlement Fund being a "Qualified Settlement Fund" within the meaning of Treas. Reg. § 1.468B-1. Co-Lead Class Counsel shall timely and properly file all information and other tax returns necessary or advisable with respect to the Settlement Fund (including without limitation the returns described in Treas. Reg. § l.468B2(k), (1)). Such returns shall reflect that all taxes (including any estimated taxes, interest or penalties) on the income earned by the Settlement Fund shall be paid out of the Settlement Fund. Tyson shall not be responsible for the filing or payment of any taxes or expenses connected to the Qualified Settlement Fund.

12. Distribution of Settlement Fund to Certified Class. Members of the Certified Class shall be entitled to look solely to the Settlement Fund for settlement and satisfaction against the Tyson Released Parties for the Released Claims, and shall not be entitled to any other payment or relief from the Tyson Released Parties. Except as provided by order of the Court, no member of the Certified Class shall have any interest in the Settlement Fund or any portion thereof. Consumer IPPs, members of the Certified Class, and their counsel will be reimbursed and indemnified solely out of the Settlement Fund for all expenses including, but not limited to, attorneys' fees and expenses and the costs of notice of the Settlement Agreement to potential members of the Certified Class. Tyson and the other Tyson Released Parties shall not be liable for any costs, fees, or expenses of any of Consumer IPPs' and Co-Lead Class Counsel's attorneys, experts, advisors, or representatives, but all such costs and expenses as approved by the Court shall be paid out of the Settlement Fund.

13. Fee Awards, Costs and Expenses, and Service Payments to Consumer IPPs. Subject to Co-Lead Class Counsel's sole discretion as to timing, Co-Lead Class Counsel will apply to the Court for a fee award, plus expenses, and costs incurred, and service payments to the Consumer IPPs to be paid from the proceeds of the Settlement Fund. Tyson shall have no responsibility, financial obligation, or liability for any such fees, costs, or expenses. Within 15 days after any order by the Court awarding attorneys' fees, expenses, class representative service awards or expenses, the Escrow Agent shall pay the approved attorneys' fees, costs, and service award via wire transfer from the Settlement Fund as directed by Certified Class Counsel in accordance with and attaching the Court's order. In the event the Settlement does not become Final or the amount of attorneys' fees, costs, or service payments is reversed or modified, within 15 days of the order from a court of appropriate jurisdiction, Certified Class Counsel will cause the difference in the amount paid and the amount awarded to be returned to the Settlement Fund.

14. Release. Upon Final Judgment, the Releasing Parties shall completely release, acquit, and forever discharge the Tyson Released Parties from any and all claims, demands, actions, suits, and causes of action, whether class, individual, or otherwise in nature (whether or not any member of the Certified Class has objected to the Settlement Agreement or makes a claim upon or participates in the Settlement Fund, whether directly, representatively, derivatively or in any other capacity) that the Releasing Parties ever had, now have, or hereafter can, shall, or may ever have, that exist as of the date of the order granting Preliminary Approval on account of, or in any way arising out of, any and all known and unknown, foreseen and unforeseen, suspected or unsuspected, actual or

contingent, liquidated or unliquidated claims, injuries, losses, damages, and the consequences thereof that have been asserted in the Action, or could have been asserted, under federal or state law in any way arising out of or relating in any way to the indirect purchase of Pork produced, processed or sold by the Tyson Released Parties or any of the Defendants or their Co-Conspirators, and purchased directly by the Releasing Parties (the "Released Claims"). Notwithstanding the above, "Released Claims" do not include (i) claims asserted against any Defendant or co-conspirator other than the Tyson Released Parties; (ii) any claims wholly unrelated to the allegations in the Actions that are based on breach of contract, any negligence, personal injury, bailment, failure to deliver lost goods, damaged or delayed goods, product defect, or securities claim; or (iii) damages claims under the state or local laws of any jurisdiction other than an Indirect Purchaser State. This reservation of claims set forth in (i), (ii) and (iii) of this Paragraph does not impair or diminish the right of the Tyson Released Parties to assert any and all defenses to such claims. During the period after the expiration of the deadline for submitting an opt-out notice, as determined by the Court, and prior to Final Judgment, all Releasing Parties who have not submitted a valid request to be excluded from the Settlement Class shall be preliminarily enjoined and barred from asserting any Released Claims against the Tyson Released Parties. The release of the Released Claims will become effective as to all Releasing Parties upon Final Judgment. Upon Final Judgment, the Releasing Parties further agree that they will not file any other suit against the Tyson Released Parties arising out of or relating to the Released Claims.

15. Further Release. In addition to the provisions of Paragraph 14, the Releasing Parties hereby expressly waive and release, solely with respect to the Released Claims, upon Final Judgment, any and all provisions, rights, and benefits conferred by Section 1542 of the California Civil Code, which states:

> A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY;

or by any law of any state or territory of the United States, or principle of common law, which is similar, comparable, or equivalent to Section 1542 of the California Civil Code. Each Releasing Party may hereafter discover facts other than or different from those which he, she, or it knows or believes to be true with respect to the claims that are released pursuant to the provisions of Paragraph 14, but each Releasing Party hereby expressly waives and fully, finally, and forever settles and releases, upon Final Judgment, any known or unknown, suspected or unsuspected, contingent or non-contingent claim that the Releasing Parties have agreed to release pursuant to Paragraph 14, whether or not concealed or hidden, without regard to the subsequent discovery or existence of such different or additional facts.

16. Non-Disparagement. The Parties agree they will not disparage this Action or one another, such as by making public statements to the media that disparage either of the Parties or their conduct in connection with the Action.

17. This Settlement Agreement shall not be construed as an admission of liability, or used as evidence of liability, for any purpose in any legal proceeding, claim, regulatory proceeding, or government investigation.

18. This Settlement Agreement constitutes a binding, enforceable agreement as to the terms contained herein when executed.

19. Consumer IPPs' and Tyson's Option to Rescind. If the Court does not approve this Settlement Agreement in all material respects, or if the Court does not grant Preliminary Approval of the Settlement Agreement, or if the Court does not enter Final Approval and Final Judgment as provided for in Paragraphs 1(l) and 7 herein, or if any judgment approving this Settlement Agreement is materially modified or set aside on appeal, or if all of the conditions for Final Judgment do not occur as set forth in Paragraphs 1(l) and 7 of this Settlement Agreement, then the Consumer IPPs and Tyson shall each, in their sole discretion, have the option to rescind this Settlement Agreement in its entirety within ten (10) business days of the event giving rise to such option.

20. Effect of Rescission. If the Consumer IPPs or Tyson rescind this Settlement Agreement under Paragraph 19, then: (a) this Settlement Agreement shall become null and void; (b) this Settlement Agreement, including its exhibits, and any and all negotiations, documents, information, and discussions associated with it shall be without prejudice to the rights of Tyson or the Consumer IPPs, shall not be deemed or construed to be an admission or denial, or evidence or lack of evidence of any violation of any statute or law or of any liability or wrongdoing, or of the truth or falsity of any of the claims or allegations made in the Action, and shall not be used directly or indirectly, in any way, whether in the

Action or in any other proceeding, unless such documents and/or information is otherwise obtainable by separate and independent discovery permissible under the Federal Rules of Civil Procedure; (c) the Parties shall return to their litigation positions before the Execution Date; (d) the Consumer IPPs shall in no way whatsoever be prejudiced in resuming full discovery and adjudication of the Action as they stood as of the Execution Date, and Tyson shall be prohibited from arguing to Consumer IPPs or the Court that any agreements with other plaintiffs or parties in any way limit Consumer IPPs' ability to do so; (e) with the exception of any Settlement Funds used for notice purposes pursuant to Paragraph 6(b), all other funds in the Escrow Account shall be returned to Tyson within five (5) business days of the Escrow Agent receiving notice of rescission; (f) Co-Lead Class Counsel shall immediately consent to such return of remaining funds in the Escrow Account; and (g) the Parties' position shall be returned to the status quo ante.

21. Choice of Law and Dispute Resolution. Any disputes relating to this Settlement Agreement shall be governed by Minnesota law without regard to conflicts of law provisions, and with the exception of any dispute regarding the provisions of Paragraphs 14 or 15, any and all disputes regarding this Settlement Agreement will be discussed in good faith by the Parties prior to any Party seeking Court involvement.

22. Mandatory and Exclusive Jurisdiction. The Parties and any Releasing Parties hereby irrevocably agree to the exclusive jurisdiction of the Court for any suit, action, proceeding, or dispute arising out of or relating to this Settlement Agreement or the applicability of this Settlement Agreement. Without limiting the generality of the foregoing, it is hereby agreed that any dispute concerning the provisions of Paragraphs 14

or 15, including but not limited to, any suit, action, or proceeding in which the provisions of Paragraphs 14 or 15 are asserted as a defense in whole or in part to any claim or cause of action or otherwise raised as an objection, constitutes a suit, action, or proceeding arising out of or relating to this Settlement Agreement. In the event that the provisions of Paragraphs 14 or 15 are asserted by any Tyson Released Party as a defense in whole or in part to any claim or cause of action or otherwise raised as an objection in any suit, action or proceeding, it is hereby agreed that such Tyson Released Party shall be entitled to a stay of that suit, action, or proceeding until the Court has entered a final judgment no longer subject to any appeal or review determining any issues relating to the defense or objection based on such provisions. Solely for purposes of such suit, action, or proceeding, to the fullest extent that they may effectively do so under applicable law, the Parties and any Releasing Parties irrevocably waive and agree not to assert, by way of motion, as a defense or otherwise, any claim or objection that they are not subject to the in personam jurisdiction of the Court. Nothing shall be construed as a submission to jurisdiction for any purpose other than enforcement of this Agreement.

23. Class Action Fairness Act. Within ten (10) days of filing of this Settlement Agreement in court with the abovementioned motion for preliminary approval, Tyson, at its sole expense, shall submit all materials required to be served upon appropriate federal and state officials pursuant to the Class Action Fairness Act of 2005, 28 U.S.C. § 1715, shall arrange for such notices to be served, and shall confirm to Consumer IPPs' Co-Lead Class Counsel that such notices have been served.

24. Costs Relating to Administration. The Tyson Released Parties shall have no responsibility or liability relating to the administration, investment, or distribution of the Settlement Fund.

25. Binding Effect. This Settlement Agreement constitutes a binding, enforceable agreement as to the terms contained herein. This Settlement Agreement shall be binding upon, and inure to the benefit of, the successors, assigns, and heirs of the Parties, Certified Class, the Releasing Parties, and the Tyson Released Parties. Without limiting the generality of the foregoing, upon certification of the Certified Class and Final Approval, each and every covenant and agreement herein by the Consumer IPPs shall be binding upon all members and potential members of the Certified Class and Releasing Parties who have not validly excluded themselves from the Certified Class.

26. Sole Remedy. This Settlement Agreement shall provide the sole and exclusive remedy for any and all Released Claims against any Tyson Released Party, and upon entry of Final Judgment, the Releasing Parties shall be forever barred from initiating, asserting, maintaining, or prosecuting any and all Released Claims against any Tyson Released Party.

27. Counsel's Express Authority. Each counsel signing this Settlement Agreement on behalf of a Party or Parties has full and express authority to enter into all of the terms reflected herein on behalf of each and every one of the clients for which counsel is signing.

28. It is agreed that this Settlement Agreement shall be admissible in any proceeding for establishing the terms of the Parties' agreement or for any other purpose with respect to implementing or enforcing this Settlement Agreement.

29. Notices. All notices under this Settlement Agreement shall be in writing. Each such notice shall be given by: (a) email, and either (b) hand delivery; (c) registered or certified mail, return receipt requested, postage pre-paid; or (d) Federal Express or similar overnight courier.

If directed to Consumer IPPs, the Certified Class, or any member of the Certified Class, notice shall be sent to:

Or such other address as the Parties may designate, from time to time, by giving notice to all parties hereto in the manner described in this Paragraph.

30. No Admission. Whether or not Final Judgment is entered or this Settlement Agreement is rescinded, the Parties expressly agree that this Settlement Agreement and its contents, and any and all statements, negotiations, documents, and discussions associated with it, are not and shall not be deemed or construed to be an admission of liability by any Party or Tyson Released Party.

31. No Third-Party Beneficiaries. No provision of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Tyson Released Party, Consumer IPP, member of the Certified Class, or Co-Lead Class Counsel.

32. No Party is the Drafter. None of the Parties hereto shall be considered to be the drafter of this Settlement Agreement or any provision hereof for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter hereof.

33. Headings. The headings used in this agreement are inserted for convenience only and shall not constitute a part hereof.

34. Amendment and Waiver. This Settlement Agreement shall not be modified in any respect except by a writing executed by the Parties, and the waiver of any rights conferred hereunder shall be effective only if made by written instrument of the waiving Party. The waiver by any Party of any particular breach of this Settlement Agreement shall not be deemed or construed as a waiver of any other breach, whether prior, subsequent or contemporaneous, of this Settlement Agreement. This Settlement Agreement does not waive or otherwise limit the Parties' rights and remedies for any breach of this Settlement Agreement. Any breach of this Settlement Agreement may result in irreparable damage to a Party for which such Party will not have an adequate remedy at law. Accordingly, in addition to any other remedies and damages available, the Parties acknowledge and agree that the Parties may immediately seek enforcement of this Settlement Agreement by means of specific performance or injunction, without the requirement of posting a bond or other security.

35. Execution in Counterparts. This Settlement Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute a single agreement. Facsimile or Electronic Mail signatures shall be considered

as valid signatures as of the date hereof, although the original signature pages shall thereafter be appended to this Settlement Agreement and filed with the Court.

36. Integrated Agreement. This Settlement Agreement comprises the entire, complete, and integrated agreement between the Parties, and supersedes all prior and contemporaneous undertakings, communications, representations, understandings, negotiations, and discussions, either oral or written, between the Parties. In entering into this Settlement Agreement, the Consumer IPPs and Tyson have not relied upon any representation or promise made by the Consumer IPPs or Tyson that is not contained in this Settlement Agreement. The Parties agree that this Settlement Agreement may be modified only by a written instrument signed by the Parties and that no Party will assert any claim against another based on any alleged agreement affecting or relating to the terms of this Settlement Agreement not in writing and signed by the Parties.

37. Voluntary Settlement. The Parties agree that this Settlement Agreement was negotiated in good faith by the Parties and reflects a settlement that was reached through extensive arm's-length negotiations, with the assistance of Fouad Kurdi, mediator, and no Party has entered this Settlement Agreement as the result of any coercion or duress.

38. Confidentiality. The Parties agree to continue to maintain the confidentiality of all settlement discussions and materials exchanged during the settlement negotiation and are subject to the provisions of Federal Rule of Evidence 408. The Parties may disclose to the public the fact of settlement and the settlement amount any time after the Execution Date.

IN WITNESS WHEREOF, the Parties, individually or through their duly authorized representatives, enter into this Settlement Agreement on the date first above written.
